Microwave Shakespeare Pack (9 titles)

Nine Shakespeare plays, each retold as a straightforward narrative in chapter-book format in the present tense. Simple illustrations highlight key points in the play, and each book includes a section on the themes in the play and on Shakespeare's use of language.

Hamlet
The Merchant of Venice
A Midsummer Night's Dream
Macbeth
Romeo and Juliet

Twelfth Night
Much Ado About Nothing
Julius Caesar
The Tempest

WHERE

The events of the play take place in two locations: the city of **Athens**, in Greece, and a forest not far from Athens. Parts of the play also take place in **Fairy Land**, which overlaps with the above two places.

6

WHEN

It's not at all clear when the action in the play takes place. Shakespeare probably set the events of the play to be in his 'present' – that is, about the time that the play was written.

The play itself was probably written in about 1595 or 1596.

HELPFUL NOTE

All the spoken words in this book that are in italics, 'like this', are actual words taken from Shakespeare's play. They are spoken by one of the actors in the play.

7

WHO

Theseus – Duke of Athens
Hippolyta – Queen of the Amazons

Hermia – daughter of Egeus, betrothed to Demetrius
Egeus – father to Hermia

8

Demetrius – betrothed to Hermia
Lysander – in love with Hermia
Helena – in love with Demetrius

Philostrate – master of the revels to Theseus

9

ONE

Theseus, Duke of Athens, is in his palace. He's with **Hippolyta, Queen of the Amazons**. He's going to marry her in just four days time – and he can't wait! OK, it's true that he met her on the battlefield – and he did injure her:

'Hippolyta, I woo'd thee with my sword, And won thy love, doing thee injuries.'

But now it's different: they are in love. Theseus sends his master of the revels, **Philostrate**, off to get the young people of Athens ready to party.

12

Then **Egeus** comes in with his daughter, **Hermia**, and two other men: **Demetrius** and **Lysander**.

Egeus is angry. In fact, he's furious. He explains to Theseus that Demetrius has agreed to marry Hermia – he's already got Egeus's permission and it's all been arranged. But now this Lysander person has come along and stolen Hermia's heart.

'This man hath bewitch'd the bosom of my child,' says Egeus, 'by giving her poems and

13

Finally it is past midnight. 'Lovers, to bed; 'tis almost fairy time,' declares Theseus.

So six lovers lie in bed, each with the right person, and as they sleep they are visited by the fairies. Titania looks on as Oberon gives them a special blessing: 'May their children all be beautiful and lucky and may the lovers be true. Bless this palace with sweet peace.'

Puck has the last word. Speaking to the audience, he says, 'If we actors have offended you in this play, just think that you were asleep here, and these were all just visions in a dream. I'm an honest Puck, and I will make everything up to you. If not, then I'm a liar.'

And off he flies.

THE END

14

What's the play about?

This unusual, dream-like play is a comedy. It is about love, magic and power struggles. Love is confusing (and causes confusion), but love ultimately conquers all – with a little bit of help from the fairies!

- * The play is about how love makes us act, including how hurtful we can be.
- * It's about how life is full of strange coincidences.
- * In the play, everything that is normal is turned around, and the world is made topsy-turvy. A character may love one person, but then they change their affections to another in a moment.

CAPÍTULO 4
Volver a casa

Era una noche muy oscura. Después de veinte años en España, Rafael Montero estaba otra vez en California. Montero bajó del barco y fue hacia la prisión de Salinas. Era un lugar oscuro, antiguo y triste. El hecho era muy bajo y había agua negra en el suelo. El militar de la prisión los miró con sorpresa.

—¿Señor Montero? ¿Ha vez en California? ¿Puedo ayudarlo? —dijo.

—Busco a un hombre. Está en esta prisión desde hace veinte años. Era un hombre famoso —dijo Montero.

—¿Qué quiere decir...? —dijo el militar.

—Sí —respondió Montero—. Busco al Zorro.

El militar puso a los hombres de la prisión uno junto al otro. Montero los miró. Eran los mismos. Muchos estaban enfermos.

—¿E algunos de vosotros el Zorro? —preguntó el militar.

—Yo soy el Zorro —gritó un hombre—. Me sacaron la espada y la máscara.

Montero lo miró. El hombre era viejo y no muy fuerte.

—No, yo soy el Zorro —gritó otro hombre—. ¡Yo soy el original!

—Yo soy el Zorro —gritó otro.

Diego de la Vega era uno de esos hombres, pero Montero no lo vio. Pero que, seguramente, el Zorro estaba muerto y volvió al barco.

Los militares golpearon a los hombres y los pusieron otra vez en la prisión. Diego esperó en el suelo, sin moverse. Los militares pensaron que estaba muerto. Sacaron el cuerpo y lo dejaron en el suelo, fuera de la prisión.

Diego era, de nuevo, un hombre libre.

Al día siguiente, los señores españoles esperaban a Montero en la playa para celebrar una fiesta. Había flores y banderas de colores. También había mucha gente del pueblo. Diego de la Vega estaba entre la gente.

Montero saludó a los señores con alegría.

—Don Rafael, ¡bienvenido! —dijo Luis Ortiz.

—Gracias, don Luis. Don Pedro, don Héctor, don Julio —saludó Montero a los señores. Después, miró a la gente del pueblo.

—Yo sé que no están felices —dijo—. Están aquí porque los señores no han pagado. La orfanada. Los señores y los militares os mientan. Nadie ayuda al pueblo mexicano.

—Sí, el Zorro —gritó un hombre—. El Zorro luchó por el pueblo.

—¿Zorro? ¿Zorro? ¿Zorro? —gritó la gente feliz.

—¿Desde cuándo el Zorro está vivo veinte años? —preguntó Montero—. El pueblo de California debe ser libre. ¡Voy a luchar con vosotros por una California independiente!

La gente celebró las palabras de Montero. Les gustaba

FICHA TÉCNICA

CALIFORNIA
La misión del Zorro ocurre en California en el momento en que esta es una parte de un territorio de España, a ser parte de México. En aquella época, California era un lugar peligroso. Llena de banderas y banderas de una Pava. ¿Cómo fueron las condiciones de este lugar?

LOS BARRIDOS
Después de "El Valle del Oro", mucha gente de otras regiones fue a California a trabajar en las minas. ¿Por qué gente venía allí para trabajar? ¿Qué "valle" era?

CALIFORNIA HOY
Hoy California es parte de Estados Unidos. ¿En una región famosa por sus playas, el cine y sus deportes como el surf.

LA FIEBRE DEL ORO
En 1849, México declaró su independencia y California pasó a ser parte del territorio mexicano. El nuevo gobierno terminó con los impuestos. El país creció mucho pero en 1848, después de una guerra entre México y Estados Unidos, California pasó a ser estadounidense. Durante esos años la región se hizo muy famosa porque allí había oro. Mucha gente de otros lugares viajó a California con el sueño de ser rico: se llamaba la "fiebre del oro".

Chapitre 1

❶ ACTE I
SCÈNE I
Monsieur

Assis sur son lit, dans sa chambre, au-dessus de son table, il regarde le tableau de pharmacie. Il se parle à lui-même.

Tout va bien dans cinq ou six jours, dit-il, et dans deux semaines, il sera guéri. Plus, à partir de vingt-quatre heures, il aura un petit dîner pour préparer et caler de son sommeil le lendemain.

Ce que j'aime chez Monsieur Hucart, mon apothicaire, c'est qu'il est toujours très poli. « Les confrères de Monsieur, excusez-moi », dit-il, bien sûr Monsieur Hucart, mais ce n'est pas tout ce qu'il faut. Il faut aussi être sympathique. Tenez, vous pourriez dire à Monsieur Hucart que j'ai un peu de fièvre, je vous en prie. Il vous les a écrits dans les autres factures à vingt sous. Et en langage d'apothicaire, vingt sous, ça signifie dix sous, c'est-à-dire vingt sous. Plus un bon remède à base de deux onces de rhubarbe, de miel et de miel pour bien nettoyer le bas ventre de Monsieur, excusez-moi. « Non, je n'ai rien dit », dit-il, « Plus, le soir, une potion qui nettoie et donne de la force et du courage à Monsieur, excusez-moi. « Plus, Monsieur Hucart, vous venez souvent ? Plus, une petite consultation pour faire préparer Monsieur, excusez-moi. »
