CAPÍTULO 4
Volver a casa

Era una noche muy oscura. Después de veinte años en España, Rafael Montero volvió otra vez en California. Montero bajó del barco y fue hacia la prisión de Talamante. Era un lugar oscuro, frío y triste. El hecho era muy bajo y había agua negra en el suelo. El militar de la prisión lo miró con sorpresa.

—Señor Montero ¿Dónde va en California? ¿Puede ayudarme? —dijo.

—Bueno, soy un hombre. Está en esta prisión desde hace veinte años. Era un hombre famoso —dijo Montero.

—¿Está aquí por qué? —dijo Zorro? —preguntó el militar.

—Sí —respondió Montero—. Soy el Zorro.

El militar puso a los hombres de la prisión uno junto al otro. Montero los miró. Eran todos oscuras. Muchos tenían enfermos.

—¿Eres alguno de vosotros el Zorro? —preguntó el militar.

—Yo soy el Zorro —gritó un hombre—. Me sacaron la espada y la máscara.

Montero lo miró. El hombre era viejo y no muy fuerte.

—No, yo soy el Zorro —gritó otro hombre—. Yo soy el original!

—Yo soy el Zorro —gritó otro.

Diego de la Vega era uno de esos hombres, pero Montero no lo vio. Tenía que, seguramente, el Zorro estaba muerto y volvió al barco.

Los militares golpearon a los hombres y los pusieron otra vez en la prisión. Diego esperó en el suelo, sin moverse. Los militares pensaron que estaba muerto. Sacaron el cuerpo y lo dejaron en el suelo, fuera de la prisión.

Diego era, de nuevo, un hombre libre.

Al día siguiente, los señores españoles esperaban a Montero en la plaza para celebrar una fiesta. Había flores y banderas de colores. También había mucha gente del pueblo. Diego de la Vega estaba entre la gente.

—¿Dónde está el Zorro desde hace veinte años? —preguntó Montero—. El pueblo de California debe ser libre. ¡Voy a luchar con vosotros por una California independiente!

La gente celebró las palabras de Montero. Les gustaba

FICHA TÉCNICA

CALIFORNIA

La máscara del Zorro estuvo en California en el momento en que esta zona pasó de ser un territorio de España, a ser parte de México. En aquella época, California era un lugar peligroso, lleno de banditas y bandidos de oro. Pero, ¿cómo fueron los principios de este lugar?

LOS SANTIAGO
Durante la "fiebre del oro", California era un lugar peligroso. El trabajo era duro y había poco dinero. Las empresas no estaban felices: ellos debían pagar un impuesto especial para trabajar en la región. Muchos se volaban banditas y robaban herramientas. El bandido más famoso fue Joaquín Murietta. La historia dice que después de la guerra entre México y Estados Unidos, California pasó a ser estadounidense. Durante esa época la región se hizo muy famosa porque allí había oro. Mucha gente de otros lugares viajó a California con el sueño de ser rico: se llamaba la "fiebre del oro".

LOS MISIONES
Los Reyes de España querían extender la religión católica a los nuevos españoles en América. Por esta razón, desde 1550 hasta 1800, crearon misiones en el nuevo continente. Ellos crearon misiones, que eran grupos de casas y edificios donde vivían y enseñaban la religión y el idioma español a los nativos. Así empezaban el lugar para la fiebre del oro. Los misioneros ayudaban a los nativos a trabajar con la tierra y con los animales. Los misioneros también enseñaron a los nativos a usar herramientas como caballos, nuevos plátanos y herramientas agrícolas.

CALIFORNIA HOY
Hoy California es parte de Estados Unidos. Es una región famosa por sus playas, el cine y su economía (como el cine).

¿Sabes de qué mareas habla el Zorro cuando dice "¿Puede ayudarme a volver a casa?"?

¿Una significa estas palabras? ¿Puede usar el diccionario.
expresar, encontrar, ir fuera, la fiebre, abandonar, el impuesto

LECTURAS DE ESPAÑOL	AMNESIA
<p>11</p> <p>III</p> <p>MIERCOLES</p> <p>El hombre despierta. Levanta un poco la cabeza, se reconstruye el sitio donde está. Mira sus piernas, están enyesadas, se le hacen pequeños vendajes. Recuerda que está en un hospital, que tiene unos brazos rojos por un accidente, pero nada más. Pasa la cabeza otra vez sobre la almohada. "Esto es una pesadilla", piensa. "No recuerdo nada".</p> <p>— Buenos días. ¿Cómo está hoy?</p> <p>La enfermera entra. Trae una bandeja con el desayuno. Café con leche con galletas y un zumo de naranja. Lo pone en la cama.</p> <p>— Igual. No me acuerdo de nada.</p> <p>— Vaya. ¿Y no hueles?</p> <p>— Bueno. ¿Cuánto tiempo necesitan para curarme?</p> <p>— Dos semanas. ¿No? Tiene tiempo para recordar.</p> <p>— Sí, supongo que sí. A propósito, ¿cómo se llama usted?</p> <p>— ¿De lo recuerda?</p> <p>— Mmm. No. Lo siento.</p> <p>— Ayona.</p> <p>— Ayona. Es bonita. ¿De dónde es usted?</p> <p>— No es necesario tratarme de "usted". Me gusta más tutear a la gente. Me preguntan que de dónde soy.</p> <p><i>Nota:</i> hablar de "yo" a la persona.</p>	<p>12</p> <p>— Buenos días. ¿Cómo está hoy? — La enfermera entra. Trae una bandeja con el desayuno.</p>

<p>13</p> <p>¿A qué te parece? El nombre de Ayona, ¿de dónde es?</p> <p>— Eh... No sé, no lo recuerdo.</p> <p>— ¿A vaaaa.</p> <p>— ¿Vaaaa? ¿Esa vacaa?</p> <p>— Sí. Hay muchas cosas que no recuerdas. Todo el mundo sabe que Ayona es un nombre vascu. ¿Quieres hablar cinco minutos? Esté bien para recordar algunas cosas. ¿Tiempo hoy te acuerdas de tu nombre?</p> <p>— Me parece que no.</p> <p>— Pues necesitamos uno. ¿Qué te parece "Javier"? ¿Te gusta? Yo me acuerdo muy bonito. Mi hermano se llama Javier. Pero era con la hermana Javi. ¿Qué te parece ser "Javier" temporalmente?</p> <p>— Bueno, está bien. ¿Cambian su vaso Javier?</p> <p>— No, no, no es de ninguna parte de España en español.</p> <p>Me parece que me...</p> <p>— Pues necesitamos uno. ¿Qué te parece "Javier"? ¿Te gusta? Yo me acuerdo muy bonito. Mi hermano se llama Javier. Pero era con la hermana Javi. ¿Qué te parece ser "Javier" temporalmente?</p> <p>— Bueno, está bien. ¿Cambian su vaso Javier?</p> <p>— No, no, no es de ninguna parte de España en español.</p> <p>En un momento Ayona a la parte. Pedro Herrera, el policía, entra en la habitación. Trae un periódico en la mano.</p> <p>— Buenos días. ¿Cómo está? Yo lo recuerdo bastante bien.</p> <p>— Sí, hoy tampoco recuerdo nada, pero no estoy tan confundido. Habla con Ayona, que me llama Javier. Es un nombre provincial, pero es bonito, ¿no?</p> <p>— Sí, está bien. Bueno, necesito hablar con usted. ¿Recuerda estas letras?</p> <p>El inspector muestra un folerito con tres letras.</p>	<p>14</p> <p>No. ¿Sim de mí cosa?</p> <p>No lo sabemos. Es lo único que tiene usted en sus ropas, con un poco de dinero.</p> <p>— ¿Me informa del accidente?</p> <p>Ayona cambia para salir de la habitación. En la puerta saluda con la mano a "Javier".</p> <p>— Hasta luego.</p> <p>— Hasta luego.</p> <p>Pedro Herrera abre el periódico en las páginas de "Local" y se lo entrega a "Javier". Lee:</p> <p>ROBO Y ACCIDENTE</p> <p><i>Nota:</i> alguien se confunde con el nombre.</p> <p>SANTANDER (BPa). Dos hombres de identidad desconocida están en el Hospital de Valdeilla, heridos en un accidente ocurrido ayer por la mañana en la calle Santa Lucía. Ambos están en coma pero en un estado en el que se puede dar el paso de Puerto a Puerto en un día. La cantidad de agua rebalada es muy grande, se calcula que se voló a la ciudad en un momento. Pasa que el niño y el accidente están relacionados, pero los tiempos afirman la presencia de un Sant. El niño está en el hospital y el accidente de la calle Santa Lucía, el coche explotó en un Sant. El niño está en el hospital y el accidente de la calle Santa Lucía, el coche explotó en un Sant. El niño está en el hospital y el accidente de la calle Santa Lucía, el coche explotó en un Sant.</p> <p><i>Nota:</i> alguien se confunde con el nombre.</p> <p>— Oh, con mi accidente? — dice "Javier".</p> <p>— En efecto — responde Herrera.</p> <p>— Pero es un muy buen. ¿Quién es el otro hombre?</p>

ACTE I
SCÈNE I
Argan

Argan, seul dans sa chambre, assis devant son table. Il compte les jetons de pharmacie. Il se parle à lui-même.

Tout est dans leur sang, ce sang bleu, ce sang rouge. Tout est dans leur sang. Plus à partir du vingt-quatrième jour de mon sang-choyent pour préparer et établir le caractère de Monsieur. Ce que j'ai vu chez Monsieur Flétraux, mon apothicaire. C'est qu'il se moque très bien de la maladie de Monsieur. C'est tout. C'est, bien sûr, Monsieur Flétraux, mais ce n'est pas tout ce qu'il est, non. Il lui faut être raisonnable. Il faut être raisonnable pour un homme. Il ne faut pas élever, il faut l'élever. Il faut le voir comploter dans les autres facteurs à vingt ans. Et en langage d'apothicaire, vingt ans, ce signifie dix ans. Alors voilà dix ans. Plus un bon lauréat à la fin de deux ans de rhubarbe, de miel et de rose pour bien nettoyer le bas ventre de Monsieur. C'est tout. Plus un bon lauréat de dix ans. Plus, la note, une petite note qui envoie la fin et les autres, c'est tout. Plus, une petite attention pour faire approuver Monsieur, c'est tout. Plus, un petit conseil pour lui, c'est tout.

Kapitel 1
Wo ist eigentlich Willi?

Ein wunderschöner Sommertag in Berlin-Grunewald. Die Zwillinge sind im Garten. Tim repariert sein Fahrrad und Claudia macht „Endlich, geschafft!“ Jetzt ist mein Fahrrad fertig. Wären wir ein bisschen zufälliger, Claudia?

Pflichtlich hören die beiden großen Lärm und sehen Fahrer*er laut klingelnd auf der Straße vorbeifahren. Sie sind wohl eher zu Eile. „Aber... das ist doch das Betrugsgesetz!“ von Willi“ ruft Tim.

„Aber er fährt so nicht“, sagt Claudia. „Komisch, sehr komisch!“

„Hier“ ruft Tim, doch die Fahrer*er halten nicht an.

Sie fahren nur noch schneller. „Die haben es aber sehr eilig“, sagt Tim. „Warum haben die nicht ab?“ fragt Claudia. „Ich weiß es nicht...“, antwortet Tim.

Acto III

Sempretono desamó a Celestina, que de porrazo había su casa, y la avisó de la importancia de Calisto, que tenía la millagrosa de la tripa. Celestina no se sorprendió: sabía que toda dilación es un tormento para los amantes, sobre todo los generosos, que no se contentan de los dardos que pueden causar a sus amantes.

«¿Qué dices? ¡Que pueda quemar una farsa de Calisto! ¡Al diablo con sus amores! Yo, a la primera señal de peligro, abandono. Pero haremos lo que podamos mientras él vive para que haya placer con el que que no le muerde». En la primera señal de peligro, abandono. Pero haremos lo que podamos mientras él vive para que haya placer con el que que no le muerde. En la primera señal de peligro, abandono. Pero haremos lo que podamos mientras él vive para que haya placer con el que que no le muerde.

«¿Dices que quieres que me mate? Pues, ¡matame! Que el cuerpo se, que con un rayo, que matara hay culpa o que a Dios matara». Y no es verdad que pudiese más que yo no le mataría! Todo se divide de la misma manera. Procuremos, pues, aborrecer lo que podemos de este negocio, pero no pelarnos.

«¿Dices que no puedes hacer nada? Pues, ¡hazlo! Que me matara por hacer, mucho que haga y malas palabras que recibir, yo soy experta en estas cosas. Pues si quieres de la vida has de tener unido a un que yo lo hayo vendido el primer billete. ¿Crees que me matara del amor? ¡Tú te yo eres hombre! Tú eres el que comes, bebe, usa y calza. Todo me concierne en esta vida.

Le preguntó Sempretono de qué había hablado con Piñero, a lo que contestó Celestina:

«Le dije que quería más con nosotros que con los halagos de su amo. Además, para que no me matara me dijo lo que me matara que era su madre. A Piñero lo vi nacer y lo crió. Su madre y yo, sola y sola». En ella oprimió su oficio. Constante y de momento patea, estratos como hormiga, de las ganancias muéba siempre la mitad.

《小学华文补充读物》第三版

Chinese Language Instructional Materials for Primary Schools (CLIPS), Supplementary Readers 3rd Edition (39 titles)

新加坡教育部曾出版过四个系列的《小学华文教材补充读物》，为小学生提供丰富的阅读材料，在辅助华文教学方面取得良好的效果。为配合小学华文教学改革的需要，鼓励学生多阅读华文书籍，我们从原有的四个系列读物中，选出一些作为小学华文教材《欢乐伙伴》的课后阅读材料。由于学生的语文背景不同，语文程度也有差异，我们调整了一些词汇，并将读物进行了分级，以配合学生的学习需要。老师和家长在选择读物时可根据学生的兴趣与需要，灵活处理。

本系列读物内容丰富，包括寓言、童话、生活故事、历史故事等。每篇读物后都附设开放式问题，帮助学生理解故事内容。这套读物既可作为课后读物，供学生自习；也可作为校本教材，在课堂上使用。

The Painted Cage

Based on a true story, Meira Chand's *The Painted Cage* explores the tragedy of a Victorian woman who becomes the victim of her own sensuality. In Yokohama, Japan, on the morning of 5 January 1897, the trial begins of Amy Redmore, charged with the murder of her husband Reggie, ex-secretary of the Yokohama United Club. Marriage had transported Amy—an heiress 15 years her husband's junior—from the green fields of Somerset, and along the way she discovered disturbing truths about Reggie: his mistress and secret child, his addiction to arsenic. In colonial Yokohama the couple began to lead separate lives, with fatal consequences.

Last Quadrant

Twenty years ago English doctor Eva Kraig adopted Akiko, the illegitimate daughter of Kyo, who had abandoned the baby and then turned to prostitution. Now Eva may lose her beloved Akiko, for Kyo—ravaged by time and drink—has returned to claim her grown daughter. In the havoc of a great typhoon, Akiko finds herself stranded with her adoptive mother, the natural mother she has never known and a troubled young man who has fallen in love with her. In the brief calm of the typhoon's eye, the group arrives at the comparative safety of their wealthy English neighbour's concrete house. There they must wait out the violence of the last quadrant—the wildest part of the storm. As the refugees draw together in a fight for survival and are forced to reckon with their deepest selves, the terrible night becomes a turning point for each of them.

The Bonsai Tree

Liberal-minded Jun Nagai, heir to a prominent business empire, brings his beautiful and intelligent English wife Kate Scott back to Japan after a whirlwind romance—a marriage his complex, powerful and traditional mother Itsuko naturally disapproves. While Jun is pulled between the two cultures, owing loyalty to both, Kate is thrown into an unfamiliar world where her role of a wife lies within strict social constructs. Stripped of all romantic illusions, she struggles to retain her individuality. A shattering encounter leads her directly to the gritty abject underbelly of Kamagasaki—dumping ground for the destitutes and untouchables, a section ruled by gangsters and plied by prostitutes, with no place in society.

A Choice of Evils

This epic novel is set against the backdrop of the Sino-Japanese war, from the time Japan annexed Manchuria in the early 1930s until the end of the Second World War. The story of these tumultuous years is told through the lives of a disparate group of fictional characters: a young Russian woman émigré caught between her complex love affair with a British journalist and a liberal-minded Japanese diplomat, an Indian nationalist working for Japanese intelligence, a Chinese professor with communist sympathies, an American missionary doctor and a Japanese soldier, who are all brought together by the monstrous dislocation of war.
