イギリス・アイルランド現代詩必携、1960-2015

A Companion to Contemporary British and Irish Poetry, 1960-2010

Gortschacher, Wolfgang & Malcolm, David

2020 : 10 504 p. Hardback 9781118843208 US\$195.00

Part of the acclaimed *Blackwell Companion to Literature and Culture* series, this book contains a comprehensive survey of the most important contemporary Irish and British poetry. The contributors provide new perspectives and positions on the topic. This important book: Explores the institutions, histories, and receptions of contemporary Irish and British poetry / Contains contributions from leading scholars of British and Irish poetry / Includes an analysis of the most prominent Irish and British poets / Puts contemporary Irish and British poetry in context

イギリス・アイルランド現代文学必携 全2巻

A Companion to Contemporary British and Irish Literature

Bradford, Richard

2020 : 09 912 p. Hardback 9781118902301 US\$390.00

The *Wiley Blackwell Companion to Contemporary British and Irish Literature* is a must-have guide for anyone hoping to navigate the world of new British and Irish writing. Including modern authors and poets from the 1960s through to the most contemporary writers of the 21st century, the Companion provides a thorough overview of Contemporary poetry and prose by some of the most prominent and noteworthy writers. Seventy-three comprehensive chapters focus on individual authors and poets as well as such topics as Englishness and identity, contemporary Science Fiction, Black writing in Britain, and the influence of globalization on British and Irish Literature.

水村美苗著『私小説』英訳版

An I-Novel

Mizumura, Minae / Carpenter, Juliet Winters (trans.)

(Columbia U.P.)

2021 : 03 384 p. Hardback 9780231192125 US\$80.00 Paperback 9780231192132 US\$20.00

Minae Mizumura's *An I-Novel* is a semi-autobiographical work that takes place over the course of a single day in the 1980s. Minae is a Japanese expatriate graduate student who has lived in the United States for two decades but turned her back on the English language and American culture. After a phone call from her older sister reminds her that it is the twentieth anniversary of their family's arrival in New York, she spends the day reflecting in solitude and over the phone with her sister about their life in the United States, trying to break the news that she has decided to go back to Japan and become a writer in her mother tongue.

利益の出る娯楽：17世紀日本の浮世草子

Pleasure in Profit: Popular Prose in Seventeenth-Century Japan

Moretti, Laura

(Columbia U.P.)

2020 : 12 440 p. Hardback 9780231197229 US\$140.00 Paperback 9780231197236 US\$40.00

In the first comprehensive study of the birth of Japanese commercial publishing, Laura Moretti investigates the vibrant world of vernacular popular literature. She marshals new data on the magnitude of the seventeenth-century publishing business and highlights the diversity and porosity of its publishing genres. Moretti explores how booksellers sparked interest among readers across the spectrum of literacies and demonstrates how they tantalized consumers with vital ethical, religious, societal, and interpersonal knowledge. She recasts books as tools for knowledge making, arguing that popular prose engaged its audience cognitively as well as aesthetically and emotionally to satisfy a burgeoning curiosity about the world. Crucially, Moretti shows, readers experienced entertainment within the didactic, finding pleasure in the profit gained from acquiring knowledge by interacting with transformative literature.

Reflecting the Past: Place, Language, and Principle in Japan's Medieval Mirror Genre

Brightwell, Erin L.

Harvard East Asian Monographs, 433 / Harvard University, Asia Center (Harvard U.P.)

2020 : 10 340 p. Hardback 9780674247819 US\$60.00

Reflecting the Past is the first English-language study to address the role of historiography in medieval Japan, an age at the time widely believed to be one of irreversible decline. Drawing on a decade of research, including work with medieval manuscripts, it analyzes a set of texts - eight *Mirrors* - that recount the past in an effort to order the world around them. They confront rebellions, civil war, "China," attempted invasions, and even the fracturing of the court into two lines. To interrogate the significance for medieval writers of narrating such pasts as a *Mirror*, Erin Brightwell traces a series of innovations across these and related texts that emerge in the face of disorder. In so doing, she uncovers how a dynamic web of evolving concepts of time, place, language use, and cosmological forces was deployed to order the past in an age of unprecedented social movement and upheaval.

グローバルな情報化時代における日本文学の読解

The Values in Numbers: Reading Japanese Literature in a Global Information Age

Long, Hoyt

(Columbia U.P.)

2021 : 03 480 p. Hardback 9780231193504 US\$95.00 Paperback 9780231193511 US\$30.00

Hoyt Long offers both a reinterpretation of modern Japanese literature through computational methods and an introduction to the history, theory, and practice of looking at literature through numbers. He weaves explanations of these methods and their application to literature together with critical reflection on the kinds of reasoning such methodologies facilitate. Chapters guide readers through increasingly complex techniques while making novel arguments about topics of fundamental concern, including the role of quantitative thinking in Japanese literary criticism; the canonization of modern literature in print and digital media; the rise of psychological fiction as a genre; the transnational circulation of modernist forms; and discourses of race under empire.

社会的な言語学習コミュニティにおける力学

Dynamics of a Social Language Learning Community: Beliefs, Membership and Identity

Mynard, Jo et al.

Psychology of Language Learning and Teaching (Multilingual Matters)

2020 : 08 216 p. Hardback 9781788928908 £99.95 Paperback 9781788928892 £29.95

This book provides an in-depth exploration of psychological phenomena affecting language learning within a social learning space. Drawing on the literature from identity in second language learning, communities of practice and learner beliefs, in conjunction with other individual difference factors, it uncovers perceptions and assumptions that language learners have of the space and how they affect their relationship with it and the people within it. Readers will gain a greater understanding of how psychological phenomena shape a space and how a learning space can contribute to a wider learning ecology. This book will appeal to researchers interested in language learning beyond the classroom and psychological aspects of language acquisition, as well as to practitioners and professionals who are supporting learners outside the classroom.

英語言語学ハンドブック第二版

The Handbook of English Linguistics. 2nd ed

Aarts, Bas & McMahon, April (ed.)

Blackwell Handbooks in Linguistics (Wiley-Blackwell)

2020 : 11 682 p. Hardback 9781119540564 US\$180.00

本書は英語言語学の核となるトピックについての刺激的な議論を、権威ある一冊にまとめたものです。国際的な専門家チームによって書かれた各章は、構文、方法論、音韻論と音韻論、語彙と形態論、バリエーション、文体論、言説をカバーし、この分野の理論的研究と記述的研究の議論も提供しています。今回の改訂新版では、英語コーパス言語学、実験的アプローチ、補語と補助語、英語音韻論と形態学、語彙学などの章を新たに追加し、更新しました。各章では、英語言語学の主要分野を紹介し、関連する研究について議論し、今後の研究の方向性を示唆しています。

The second edition of the popular *Handbook of English Linguistics* brings together stimulating discussions of the core topics in English linguistics in a single, authoritative volume. Written by an international team of experts, the chapters cover syntax, methodology, phonetics and phonology, lexis and morphology, variation, stylistics, and discourse, and also provide discussions of theoretical and descriptive research in the field. The revised edition includes new and updated chapters on English Corpus Linguistics, experimental approaches, complements and adjuncts, English phonology and morphology, lexicography, and more. In-depth yet accessible chapters introduce key areas of English linguistics, discuss relevant research, and suggest future research directions.

世界英語を形作る

Modelling World Englishes: A Joint Approach to Postcolonial and Non-Postcolonial Englishes

Buschfeld, Sarah & Kautzsch, Alexander (ed.)

(Edinburgh U.P.)

2020 : 08 440 p. Hardback 9781474445863 £95.00

This book brings together two types of varieties of English that have so far been treated separately: postcolonial and non-postcolonial Englishes. It examines these varieties of English against the backdrop of current World Englishes theory, with a special focus on the extra- and Intra-Territorial Forces (EIF) Model. Bringing together a range of distinguished researchers in the field, each chapter tests the validity of this new model, analyses a different variety of English and assesses it in relation to current models of World Englishes. In doing so, the book ends the long-standing conceptual gap between postcolonial and non-postcolonial Englishes and integrates these in a unified framework of World Englishes.

蜘蛛巣城 第2版

Throne of Blood. 2nd ed

Watson, Robert N.

BFI Film Classics (British Film Inst.)

2020 : 10 104 p. 60 b/w Paperback 9781839021879 £11.99

Throne of Blood (1957), Akira Kurosawa's reworking of *Macbeth*, is widely considered the greatest film adaptation of Shakespeare ever made. In a detailed account of the film, Robert N. Watson explores how Kurosawa draws key philosophical and psychological arguments from Shakespeare, translates them into striking visual metaphors, and inflects them through the history of post-World War II Japan. In his foreword to this new edition, Robert Watson considers the central characters' Washizu and his wife Asaji's blunder in viewing life as a ruthless competition in which only the most brutal can thrive in the context of an era of neoliberal economics, resurgent 'strongman' political leaders, and myopic views of the environmental crisis, with nothing valued that cannot be monetized.

ジャポニズム再構成：19世紀フランスの女性と東洋美術市場

Reframing Japonisme: Women and the Asian Art Market in Nineteenth-Century France, 1853-1914

Emery, Elizabeth

Contextualizing Art Markets / Bloomsbury Visual Arts (Bloomsbury Academic)

2020 : 10 272 p. 50 b/w Hardback 9781501344633 £90.00

Japonisme, the nineteenth-century fascination for Japanese art, has generated an enormous body of scholarship over the last twenty years, but most of it neglects women, who also acquired objects from the Far East and displayed them in their homes before selling or bequeathing them to museums. The stories of women collectors and shopkeepers rarely appear in memoirs left by those associated with the japoniste movement.

ポスト核時代の視覚文化

Through Post-Atomic Eyes

Lauzon, Claudette & O'Brian, John (ed.)

McGill-Queen's/Beaverbrook Canadian Foundation Studies in Art History, 29 (McGill-Queen's U.P.)

2020 : 09 496 p. 158 photos, 3 maps, colour throughout. Hardback 9780228001393 US\$44.95

Confronting cultural fallout from the dawn of the nuclear age, *Through Post-Atomic Eyes* addresses the myriad iterations of nuclear threat and their visual legacy in the twentieth and twenty-first centuries. Whether in the iconic black-and-white photograph of a mushroom cloud rising over Nagasaki in 1945 or in the steady stream of real-time video documenting the 2011 meltdown at the Fukushima Daiichi nuclear power plant, atomic culture - and our understanding of it - is inextricably constructed by the visual. This book takes the image as its starting point to address the visual inheritance of atomic anxieties; the intersection of photography, nuclear industries, and military technocultures; and the complex temporality of nuclear technologies. Contemporary artists contribute lens-based works that explore the consequences of the nuclear, and its afterlives, in the Anthropocene.

西沢保 (帝京大学経済学部教授) 他著『マーシャルの最後の挑戦』

Alfred Marshall's Last Challenge: His Book on Economic Progress

Caldari, Katia & Nishizawa, Tamotsu

(Cambridge Scholars)

2020 : 05 438 p. Hardback 9781527546738 £68.99

This text presents Alfred Marshall's final, unfinished, and unpublished book. His main volume, *Principles of Economics*, was first published in 1890, and was, for a long period of time, the textbook par excellence on which generations of economists were trained. Despite its success and its importance, the book, in its eight editions, testifies to some extent to the failure of Marshall's original editorial project which should have consisted of multiple volumes and culminated with the publication of a final work on economic progress. Marshall's death in 1924 made it impossible to realize his project, but many notes written for it have survived. These notes, collected here, constitute a fundamental element in fully understanding the thought and perspectives of this great economist and in appreciating his great modernity and wisdom.

What Really Counts: The Case for a Sustainable and Equitable Economy

Colman, Ronald

(Columbia U.P.)

2021 : 02 352 Hardback 9780231190985 US\$30.00

What Really Counts is an essential, firsthand story of the promise and challenges of accounting for social, economic, and environmental benefits. Ronald Colman recounts two decades of working with three governments to adopt measures capable of quantifying factors that GDP overlooks. Chronicling his path from Nova Scotia to New Zealand to Bhutan, Colman details the challenge of devising meaningful metrics, the effort to see alternatives realized, and the obstacles that stand in the way of implementing new systems. Reflecting on successes and failures, he considers how to shift policy priorities from a narrow economic growth agenda toward a future built on sustainability and equity.

エネルギーのデジタルな未来

Energy's Digital Future: Harnessing Innovation for American Resilience and National Security

Jaffe, Amy Myers

Center on Global Energy Policy (Columbia U.P.)

2021 : 03 288 Hardback 9780231196826 US\$35.00

Amy Myers Jaffe provides an expert look at the promises and challenges of the future of energy, highlighting what the United States needs to do to maintain its global influence in a post-oil era. She surveys new advances coming to market in on-demand travel services, automation, logistics, energy storage, artificial intelligence, and 3-D printing and explores how this rapid pace of innovation is altering international security dynamics in fundamental ways. As the United States doubles down on fossil fuels, China is poised to become the global frontrunner in a full-scale global energy transformation. In order to maintain its leadership role, Jaffe argues, the United States must embrace the digital revolution and foster American achievement.

Plastic Free: The Inspiring Story of a Global Environmental Movement and Why It Matters

Prince-Ruiz, Rebecca & Finn, Joanna Atherfold

(Columbia U.P.)

2020 : 12 272 p. Hardback 9780231198622 US\$28.00

In July 2011, Rebecca Prince-Ruiz challenged herself to go plastic free for the whole month. Starting with a small group of people in the city of Perth, the Plastic Free July movement has grown into a 250-million strong community across 177 countries, empowering people to reduce single-use plastic consumption and create a cleaner future. This book explores how one of the world's leading environmental campaigns took off and shares lessons from its success. From narrating marine-debris research expeditions to tracking what actually happens to our waste to sharing insights from behavioral research, it speaks to the massive scale of the plastic waste problem and how we can tackle it together.

ベルナール = アンリ・レヴィ著『凶器の時代のウイルス』

The Virus in the Age of Madness

Levy, Bernard-Henri

(Yale U.P.)

2020 : 07 128 p. Paperback 9780300257373 US\$14.00

Drawing on the philosophical tradition from Plato and Aristotle to Lacan and Foucault, Lévy asks uncomfortable questions about reality and mythology: he rejects the idea that the virus is a warning from nature, the inevitable result of global capitalism; he questions the heroic status of doctors, asking us to think critically about the loci of authority and power; he challenges the panicked polarization that dominates online discourse. Lucid, incisive, and always original, Lévy takes a bird's-eye view of the most consequential historical event of our time and proposes a way to defend human society from threats to our collective future.

The Era of Great Disasters: Japan and Its Three Major Earthquakes

Iokibe, Makoto

Michigan Monograph Series in Japanese Studies (U. of Michigan Pr.)

2020 : 08 256 p. Hardback 9780472074679 US\$75.00 Paperback 9780472054671 US\$29.95

序文：山崎正和

The Era of Great Disasters examines modern disaster response in Japan, from the changing earthquake preparations and regulations, to immediate emergency procedures from the national, prefectural, and city levels, and finally the evolving efforts of rebuilding and preparing for the next great disaster in the hopes of minimizing their tragic effects. This book focuses on three major earthquakes from Japan's modern history. The first is the 1923 Great Kanto Earthquake, which struck the capital region. The second is the 1995 Great Hanshin-Awaji Earthquake, affecting the area between Kobe and Osaka. The third is the 2011 Great East Japan Earthquake, the magnitude 9.0 quake that struck off the Pacific coast of the Tohoku region, causing a devastating tsunami and nuclear accident. While the events of (and around) each of these earthquakes are unique, Professor Iokibe brings his deep expertise and personal experience to each disaster, unveiling not only the disasters themselves but the humanity underneath.

キッシンジャーとラテンアメリカ

Kissinger and Latin America: Intervention, Human Rights, and Diplomacy

Rabe, Stephen G.

(Cornell U.P.)

2020 : 06 330 p. Hardback 9781501706295 US\$41.95

In *Kissinger and Latin America*, Stephen G. Rabe analyzes U.S. policies toward Latin America during a critical period of the Cold War. Except for the issue of Chile under Salvador Allende, historians have largely ignored inter-American relations during the presidencies of Richard M. Nixon and Gerald R. Ford. Rabe also offers a way of adding to and challenging the prevailing historiography on one of the most preeminent policymakers in the history of U.S. foreign relations. Scholarly studies on Henry Kissinger and his policies between 1969 and 1977 have tended to survey Kissinger's approach to the world, with an emphasis on initiatives toward the Soviet Union and the People's Republic of China and the struggle to extricate the United States from the Vietnam conflict. *Kissinger and Latin America* offers something new—analyzing U.S. policies toward a distinct region of the world during Kissinger's career as national security adviser and secretary of state.

Arab Intellectuals and American Power: Edward Said, Charles Malik, and the US in the Middle East

Walhout, M.D.

(I.B. Tauris)

2020 : 10 304 p. Hardback 9780755634149 £85.00

This dual biographical study examines the lives of Edward Said and the eminent Lebanese philosopher and diplomat Charles Malik, a distant relative 30 years his senior whom Said knew from childhood as "Uncle Charles." To Said, Malik was no ordinary relative; in his memoir, he called Malik "the great negative intellectual lesson of my life", and was to describe him as "an ideal as I was growing up" only to later claim Malik "went through an ugly transformation that I could never come to terms with". M.D. Walhout charts the development of these two remarkable figures, reconstructing in the process the way in which American power in the Middle East came to have a defining effect on Arab intellectuals in the twentieth century.

日本の歴史と文化における神道

Shinto in the History and Culture of Japan

Green, Ronald S.

Key Issues in Asian Studies (Assoc. Asian Studies)

2020 : 09 120 p. Paperback 9780924304910 US\$15.00

After Japanese emperor Naruhito ascended the Chrysanthemum throne in 2019, he performed a secretive ritual funded by the state by offering newly harvested rice to the Shintō sun goddess Amaterasu, mythological progenitor of the imperial family, raising controversy and puzzlement both inside Japan and out. This book is a concise overview of Shintō through a survey of its key concepts, related archeological finds, central mythology, significant cultural sites, political dimensions, and historical developments. Its goal is to promote an understanding of Shintō as an enduring cultural phenomenon central to Japan past and present.

In the Dragon's Shadow: Southeast Asia in the Chinese Century

Strangio, Sebastian

(Yale U.P.)

2020 : 09 352 p. Hardback 9780300234039 US\$30.00

Today, Southeast Asia stands uniquely exposed to the waxing power of the new China. Three of its nations border China and five are directly impacted by its claims over the South China Sea. All dwell in the lengthening shadow of its influence: economic, political, military, and cultural. As China seeks to restore its former status as Asia's preeminent power, the countries of Southeast Asia face an increasingly stark choice: flourish within Beijing's orbit or languish outside of it. Meanwhile, as rival powers including the United States take concerted action to curb Chinese ambitions, the region has emerged as an arena of heated strategic competition.

従軍慰安婦の人権問題

Comfort Women Activism: Critical Voices from the Perpetrator State

Tai, Eika

(Hong Kong U.P.)

2020 : 08 208 p. Hardback 9789888528455 US\$62.00

Comfort Women Activism follows the movement championed by pioneer activists in Japan to demonstrate how their activism has kept a critical interpretation of the atrocities against women committed before and during World War II alive. The book shows how the challenges faced by the activists have evolved from the beginning of their uphill battles all the way to contemporary times. They were able to change social attitudes and get their message across. Yet the ambiguous position of post-World War II Japan's government - which has consistently rejected any sign of guilt over its imperialist past - has kept the activists on their toes. Pivotal and serendipitous turning points have also played a crucial role. In particular, in the early 1990s, the post-Soviet world order assisted in creating the appropriate conditions for the movement to gather transnational support. These conditions have eroded over time; yet due to the activists' fidelity to survivors, the movement has persisted to this day.

【日本研究】

1972年、日本：大量消費時代の男らしさのビジョン

Japan, 1972: Visions of Masculinity in an Age of Mass Consumerism

Igarashi, Yoshikuni

(Columbia U.P.)

2021 : 01 256 p. Hardback 9780231195546 US\$140.00 Paperback 9780231195553 US\$35.00

By the early 1970s, Japan had become an affluent consumer society, riding a growing economy to widely shared prosperity. In the aftermath of the fiery political activism of 1968, the country settled down to the realization that consumer culture had taken a firm grip on Japanese society. *Japan, 1972* takes an early-seventies year as a vantage point for understanding how Japanese society came to terms with cultural change. Yoshikuni Igarashi examines a broad selection of popular film, television, manga, and other media in order to analyze the ways Japanese culture grappled with this economic shift. He exposes the political underpinnings of mass culture and investigates deeper anxieties over questions of agency and masculinity.

湾岸諸国のアジアへの転換

The Arab Gulf's Pivot to Asia: From Transactional to Strategic Partnerships

Janardhan, N. (ed.)

Gulf Studies (Gerlach Pr.)

2020 : 09 252 p. Hardback 9783959941327 £75.00

第3章：Gulf-Japan Ties, Beyond the Energy Sector

Jun Saito & N. Janardhan (齋藤純：ジェトロ・アジア経済研究所地域研究センター)

Over the last two decades the relations between the countries of the Gulf and Asia have expanded beyond the economic domain to include political and even security arrangements. While oil and non-oil trade are still the fulcrum of their association, 'strategic' partnerships are fast becoming the norm. The contributors of this book argue that, along with economic diversification, the Gulf countries have also diversified their foreign policies, especially with China, India, Japan and South Korea, among others. Together with Russia, this could eventually alter the current US-centric security paradigm. This opens up the prospect for a 'collective' security architecture in the Gulf, which is key to regional and global stability.

Information: Keywords

Hayot, Eric et al. (ed.)

(Columbia U.P.)

2021 : 01 232 Hardback 9780231198769 US\$110.00 Paperback 9780231198776 US\$28.00

This book is one of two companion volumes that explore theories and histories of information from a humanistic perspective. Bringing together essays by prominent critics, *Information: Keywords* highlights the humanistic nature of information practices and concepts by thinking through key terms. It describes and anticipates directions for how the humanities can contribute to our understanding of information from a range of theoretical, historical, and global perspectives. Together with *Information: A Reader*, it sets forth a major humanistic vision of the concept of information.

The Great Inoculator: The Untold Story of Daniel Sutton and his Medical Revolution

Weightman, Gavin

(Yale U.P.)

2020 : 08 208 p. Hardback 9780300241440 US\$30.00

Smallpox was the scourge of the eighteenth century: it showed no mercy, almost wiping out whole societies. Young and old, poor and royalty were equally at risk - unless they had survived a previous attack. Daniel Sutton, a young surgeon from Suffolk, used this knowledge to pioneer a simple and effective inoculation method to counter the disease. His technique paved the way for Edward Jenner's discovery of vaccination - but, while Jenner is revered, Sutton has been vilified for not widely revealing his methods until later in life. Gavin Weightman reclaims Sutton's importance, showing how the clinician's practical and observational discoveries advanced understanding of the nature of disease.

Diseased States: Epidemic Control in Britain and the United States

McCoy, Charles Allan

(Univ. of Mass. Pr.)

2020 : 07 224 p. Hardback 9781625345066 US\$90.00 Paperback 9781625345073 US\$28.95

Outbreaks of Ebola, SARS, MERS, and pandemic influenza are brutal reminders of the dangers of infectious disease. Comparing the development of disease control in Britain and the United States, from the 1793 yellow fever outbreak in Philadelphia to the H1N1 panics of more recent times, *Diseased States* provides a blueprint for managing pandemics in the twenty-first century.

Japanese Food for Health and Longevity: The Science behind a Great Culinary Tradition

Murooka, Yoshikatsu

(Cambridge Scholars)

2020 : 07 222 p. Hardback 9781527549364 £61.99

We often hear about the merits of Japanese food, but there are few studies on this from a scientific perspective. This book presents a scientific basis for why Japanese food is a source of health and longevity, and details how to produce traditional Japanese foods and the healthy substances contained therein. It also highlights aspects of Japanese culture concerned with typical national foods.
